**14**

We advise 14 of the world's top 20 pharma companies

## Built on legal excellence

We are partners vested in our clients' success and combine our technical skills with broad cross-practice collaboration to optimize outcomes for clients. With the long term always in view, we have the ongoing privilege of assisting clients across industries as they advance their business pursuits, from day-to-day operational matters to their most complex challenges.

We are proud of our preeminent standing in the legal directories and of the awards earned by our people. Whether in Toronto, New York, Calgary, Montreal or Halifax, we are uniquely structured to work as one team for clients across Canada, the U.S. and worldwide.

I trust the firm with our most sensitive and complex questions and Torys always delivers.
